

Intern Wanted!

CHILDREN'S SUMMER CAMP & GARDENS INTERN

Are you an undergrad student majoring in Early Childhood Education, Environmental Sciences/Education, or a related field, with a passion for nature-based learning? Are you organized and self-motivated? Can you communicate empathetically and confidently with children, parents, and supervisors? Are you interested in facilitating nature-themed summer day camps focused on pollinators, plants, and playful environmental discovery that spark curiosity and connection to the natural world? **If you answered YES, we wanna hear from you!**

Key Responsibilities

- Assist the Hope Grows team in planning/preparing curriculum for camps
- Help maintain, prepare, and plant gardens
- Lead or assist with interactive nature and garden learning for campers in grades K-4
- Foster a safe, engaging, and inclusive camp environment
- Help set up and clean up daily programming
- Model kindness, creativity, and curiosity
- Contribute to a positive, team-based camp culture

Education/Experience

- Enrolled in a degree-seeking field related to Early or Elementary Childhood Education, Environmental Sciences/Education, or other related wellness disciplines (Psychology, Sociology, Health Sciences, Nature Therapy, etc.)
- Comfortable spending up to three hours at a time outdoors, in all weather conditions
- Demonstrated verbal and written skills, and the ability to lead camp activities
- Proficient in Microsoft Teams and Microsoft Office applications
- Previous experience with kids (babysitting, tutoring, volunteering, etc.) is a plus!

Internship Requirements

- Passion for working with children and a love for the outdoors
- Availability to attend and work all 3 Summer Pollinator Camps (June/July/August)
- Reliable transportation to and from Hope Grows
- Plan curriculum for camp(s) and prepare materials for camp activities in conjunction with Camp Director
- Internship runs for 1 semester minimum, 3 semesters maximum

**ROLLING APPLICATIONS
PAID STIPEND!**

Submit resume and cover letter to laura@hopegrows.org

**Candidate will need to complete background checks
and obtain Child Abuse clearances.**
