

# KIDS POLLINATOR CAMPS

Students in grades K-6 will have the opportunity to connect with nature and explore birds, butterflies, and bees while learning about their impact and dependence on the environment!

As our model of support at Hope Grows says, taking a break is not only wanted, but *needed*. Parents/guardians are encouraged to “taking a break” this summer while their children learn and have fun at our Kids Pollinator Camp!

## GROW TOGETHER AT HOPE GROWS

### BIRDS

June

### BUTTERFILES

July

### BEES

August
