Cultivating Caregiver Wellness™

On Sunday, March 22, 2026, we will welcome more than 200 guests to spend time together for a worthy cause at our 12th Annual Hope Grows Victorian Tea!

This signature event raises funds and engages the community in conversation about the importance of mental health and emotional support...a true lifeline for family caregivers! Guests will enjoy a wonderful tea at the historic Omni William Penn Hotel in downtown Pittsburgh while hearing hopeful stories from family caregivers who have successfully navigated, with the help of Hope Grows, through the challenges of family caregiving.

Proceeds from the Hope Grows Victorian Tea will empower our clients to seek mental and emotional wellness, help them manage stress, and ultimately prevent caregiver burnout. We can only do this with the generosity of people like you!
